Pope Francis from his Homily for the Feast of the Baptism of the Lord-January 12, 2014

"I would like to tell you only this: you are those who transmit the faith, the transmitters; you have a duty to hand on the faith to these children. It is the most beautiful inheritance you will leave to them: the faith! Only this.

Today, take this thought home with you. We must be transmitters of the faith. Think about this, always think about how to hand on the faith to your children."

Pope Francis
